

## Zoom Announces Proposed Offering of Class A Common Stock

January 12, 2021

SAN JOSE, Calif., Jan. 12, 2021 (GLOBE NEWSWIRE) -- [Zoom Video Communications, Inc.](https://www.zoom.us) (NASDAQ: ZM), a leading provider of video-first unified communications, today announced that it has commenced an underwritten public offering of \$1.5 billion of shares of its Class A common stock. In connection with the proposed offering, Zoom expects to grant the underwriter a 30-day option to purchase up to an additional \$225 million of shares of its Class A common stock at the public offering price, less underwriting discounts and commissions. All of the shares in the proposed offering will be sold by Zoom. The proposed offering is subject to market and other conditions, and there can be no assurances as to whether or when the proposed offering may be completed, or as to the actual size or terms of the proposed offering.

J.P. Morgan is acting as the sole book-running manager for the proposed offering.

The shares described above are being offered by Zoom pursuant to a shelf registration statement on Form S-3, including a base prospectus, that was filed by Zoom with the Securities and Exchange Commission (the "SEC") and that became automatically effective on January 12, 2021. A preliminary prospectus supplement and accompanying prospectus relating to the proposed offering has been filed with the SEC and is available on the SEC's website located at <http://www.sec.gov>. Copies of the preliminary prospectus supplement and the accompanying prospectus relating to the proposed offering may be obtained from: J.P.
